## **Notes:**

**\*Elective courses are not limited to the above mentioned and can be taken from other Pro-Green specializations (Energy and Buildings).**

**\*\* There is no limit on the minimum credit you can take per semester. Since the degree is for part-time students as well, you can register 5 credits or 3 credits. The average load is 6 to 8 credits.**

**\*\*\* There are two water core courses required within the specialization.**
